Story of the Year

Once upon a time there was a school — a high school — bursting at the seams with loyal Eagles. Its name was Abilene High School — "Champion School of all the West!" School days of the wonder-

ful year of 1953-1954 dawned on a bright sunny September fourth. There were 593 Sophomores who were running around like little lost kittens; 417 Juniors were upper-classmen now; and 350 Seniors were "old hands at this stuff" by this time.

This was to be the last year to use the old building which had seen so many who had "Entered to Learn" and "Gone Forth to Serve." Not just a few have pleasant memories of eager teachers, carved-on desks, familiar lockers, crowded stairways, and the push and pull of Freshman Alley at noon — memories which went to make up the "Best Years of Our Lives."

New AHS'ers were welcomed at a Coke party before school days began — an annual affair sponsored by the Student Council. Soon after the commencement of school, class meetings were held and class officers and class

queens were elected. Then came the Queen's Race to see who would be awarded the "Golden Apple" and who would reign supreme over this 1953-1954 FLASHLIGHT.

A trip which gained recognition not only here at home but also in nearly every state in which the students traveled on their way to Massachusetts was the Exchange Trip. Thirty students left in September and were gone for two weeks — two weeks not one of them will ever forget!

The Student Council Thanksgiving program was held again that year with all those decorated boxes of food being taken to the homes of the unfortunate after the assembly. And there was the Christmas assembly with the children of the faculty members on the program. The big decorated Christmas tree was once again placed in the foyer of the main floor.

After mid-term came the always popular TWIRP SEASON! The girls escorted the boys for another hilarious time. About this same time came the Valentine Post Office which the National Honor Society has made an annual affair.

With the Easter season came the impressive and unforgettable Easter Pageant staged by members of Hi-Y and Tri-Hi-Y Clubs. Late in April the Exchange Group from North Adams, Massachusetts, came to visit us.

At last came that final glorious month — May! The seniors were so rushed that they could hardly breathe. Activities happening then were the Senior Play, the Senior Follies, the Junior-Senior Banquet, picnics, exams, the Baccalaureate Service, and at last, the night of the Commencement which brought an end to the year of 1953-1954.

In these following pages are pictures that are typical of the happenings that took place in the year. They go to make up this "Story of the Year 1953-1954."

Checking those six-weeks grades —

Each year we have the privilege of dedicating the FLASHLIGHT to one who has shown outstanding loyalty and service to the school.

This year we are dedicating the 1953-1954 FLASHLIGHT to one who has been a friend to students and teachers alike and has supported Abilene High School in all that it has endeavored to do.

Abilene High has been indeed fortunate in having her on its faculty staff since 1921. She began her career here by coaching a girls' basketball team to victory in its four games.

Today we recognize her as one of our most respected English teachers and our only teacher of Latin.

We are happy to dedicate this book to you —

Fall Contents

Dear Linda,

Still, we've had fun for the past three years. I enjoyed staying with you on the orchestra tour - even if you did sleep on me! Always remember the fun we had wondering what kind of "dump" we would get for each night. We were really lucky, I think. I still remember when Mr. Felder told the girls on the front row to pull down their narrow skirts!

You have been a real friend to me ever since I met you in South Junction. I like you for many things - above all, your ability to get along with people. Didn't we have fun at our meetings of the "old maids club"? I usually have trouble thinking of things to say and this is no exception. Have fun in Mr. Murr's next year and write to me sometime. Best wishes for a happy, successful life.

Love always,
Janie Davis

Dear Linda -

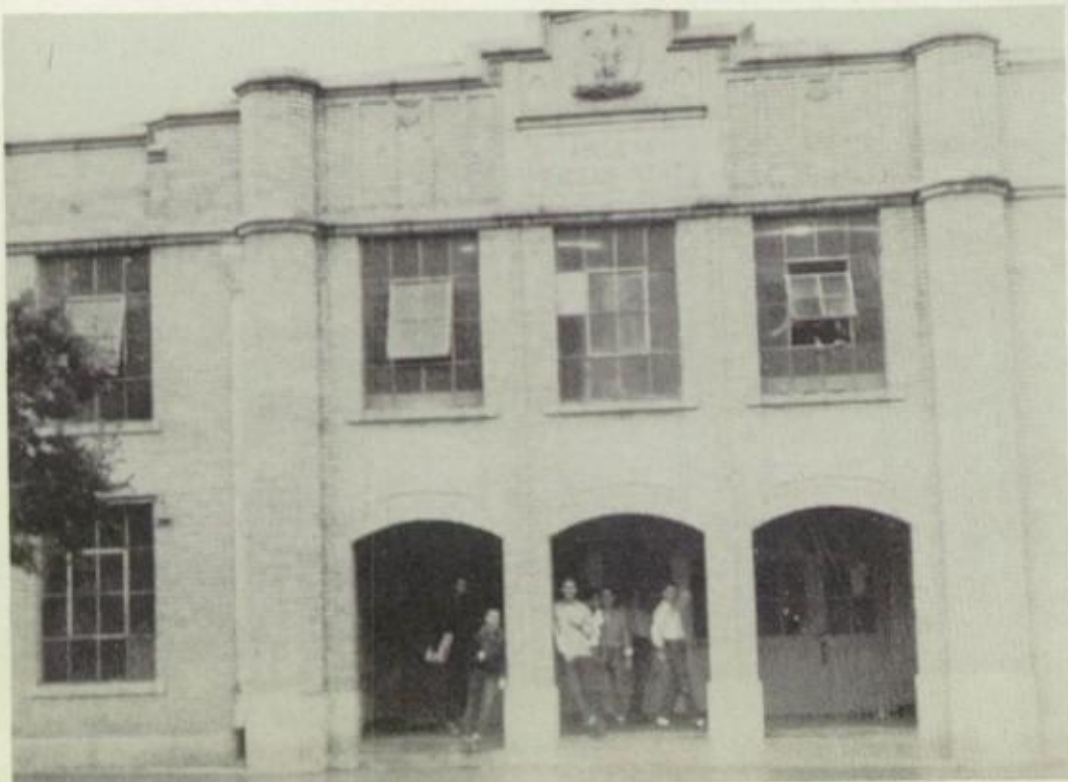

It's people like you who keep me from losing my faith in people. I'm not really that bad off - but really - I don't see how you can be so sweet!! I don't believe I've ever seen you mad as upset. I certainly hope we will always be friends because

value your friendship so very much

Mr. A. E. Wells

Nineteen hundred fifty-four marks the end of Mr. Wells's third year as superintendent of the Abilene city schools. We are indeed fortunate to have a man at the head of our schools who is constantly seeking new and constructive ideas for improving our educational system.

Mr. Wells was born in Springtown, Pucker County. He received his early education in the Fort Worth schools. After graduating from Polytechnic High School in 1927, he enrolled in Abilene Christian College where he received his B. A. degree four years later. He has a M. A. degree from Colorado State College of Education, Greeley, Colorado, and he has done more graduate work at the University of Texas. While a student, Mr. Wells was outstanding in both athletic and scholastic fields. As a school man, he has been a classroom teacher, coach, principal, and superintendent. He has also taught in the summer schools of a number of our Southwestern colleges.

Mr. Wells believes that Abilene High School is not only the best high school in Texas, but also of all the Southwest. He believes this because of the splendid spirit manifested on the part of the student body toward work and all school activities; because of a faculty which is interested in the students; and because of the relationship that exists between the student, teacher, and home, that allows maximum results in educational attainments.

DR. CHARLES ROMINE

One of the busiest persons in Abilene High School is our principal, Dr. Charles Romine. However, he is never too busy to stop for a friendly chat or to discuss our most important problem. Not only is he interested in the students, but also in the students' activities in the school, as well. While discussing our school, Dr. Romine said, "Naturally I am so interested in Abilene High and want it to be such a good school that I am completely sold on it—faculty and student body. Therefore, I want to help each day make it a better school."

Dr. Romine was born in Meridian, Texas. When he was eight, his family moved to Valley Mills, Texas, where he received his early education. After finishing his work at Clifton College, he entered North Texas State College where he received his B. S. degree in 1931, and his M. S. degree in 1941. This past summer he received his Ed. D. degree from Colorado State College of Education.

Dr. Romine has been a classroom teacher, a coach, an athletic director, the director of a youth center, a Boy Scout Field Executive, a director of curriculum and instruction, and a principal. He came to Abilene from Temple where he was the principal of Temple High School and dean of Temple Junior College. We are indeed fortunate to have Dr. Romine as principal of Abilene High School.

MR. J. H. NAIL

Many students of Abilene High School are aware of the activities of our busy assistant principal; however, many of us do not know some of the facts of his earlier life. Mr. Nail was born at Eden, Texas, in Concho County. He received his early education in the Eden Public Schools. After graduation he attended Howard Payne College, the University of Chicago, and the University of Texas. He received a B. A. degree from Howard Payne and a M. A. degree from the University of Texas.

Mr. Nail has been in public school work for twenty-five years. He has been a member of the Abilene High School faculty for ten years. He finds Abilene High School an ideal school where faculty and students alike are friendly, industrious, and happy. He thinks it is a school with a rich background and a very fine spirit.

We think that Mr. Nail has done much toward making our school an ideal school. He has given generously of his spirit and energy in working for a better school system.

Mr. G. E. Stowe

Mr. Stowe, business manager of the Abilene Public Schools, is a native Abilenian. He is a graduate of Abilene High School, and he was a member of Coach Shotwell's football squad that won State Championship in 1923.

Mr. Stowe received his B. B. A. degree from Texas Christian University. He later returned to Abilene and Hardin-Simmons to do further study for his M. A. degree.

He has been in the school business for 21 years. During his experience he has been a teacher, a high school principal, a football coach, and a superintendent of schools. He has been in the business part of the schools nine years and has been in his present position for the past four years.

We appreciate Mr. Stowe's comment about Abilene High School. He thinks A. H. S. ranks as one of the best high schools from an instructional standpoint in the nation, and particularly in Texas. He stated that he hoped all graduates would reap their rewards as they were merited.

Eagles Open Season with 28-13 Victory over Highland Park

Halfback Jim Millerman returned a punt 59 yards for the first touchdown of the season. H. P. Hawkins kicked the extra point after every Eagle touchdown. Halfback Wendell Phillips carried the 42 yards over tackle for the next touchdown with Hawkins' kick making the score 14-0. The Scotties did not find the combination until a few minutes before the end of the first half. A Harber to Vick pass ended the scoring in the first half. The third quarter was scoreless. Phillips took the ball over from the eight for the final Eagle tally of the game, with Hawkins kicking the extra point.

The Eagles looked sharp in their first game, showing much promise for a successful season.

Eagles Show Strength in 19-6 Win over Breckenridge

Abilene's fired-up Eagles called a halt to the 14-game winning streak of the Breckenridge Buckaroos. The Warbirds demonstrated a vicious ground attack that netted 223 yards and an almost flawless defense holding the Buckies to 98 yards on the ground and 96 in the air.

The first marker was scored two seconds before the end of the first half by quarterback Don Harber on a keeper play around right end. H. P. Hawkins kicked the extra point.

Breckenridge roared back to score early in the third period by way of Ford's passing with Billy Dendy carrying it over. The kick was wide.

Hal McGlothlin was the next Eagle to score, powering over from the one. Hawkins' placement was blocked, making the score 13-6. Ronny McDearman sparked the next assault with gains of 18 and 14 yards before Sophomore Henry Colwell took it over from the five. Hawkins' boot was blocked and the game ended 19-6.

Eagles Crush Borger 60-0

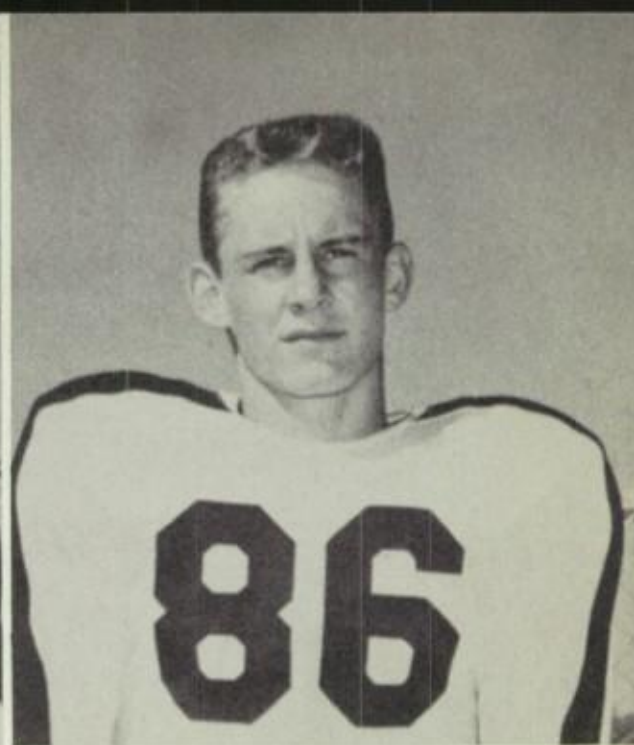

The mighty Warbirds opened district play in fine fashion with a score of 60-0 over the Borger Bulldogs. Wendell Phillips scored the first touchdown on a 52-yard run. The second was made by Ronnie McDearman from the two, after runs of 54 and 10 yards set it up. Bobby Jack Oliver kicked the extra point on the second TD.

In the second quarter, McDearman galloped 64 yards up the middle to score. Oliver converted. Jack Self made the fourth tally from the eight and Oliver's kick was good. Jim Briggs roared across from the 13 for the next one to put the Eagles ahead 33-0 at the half.

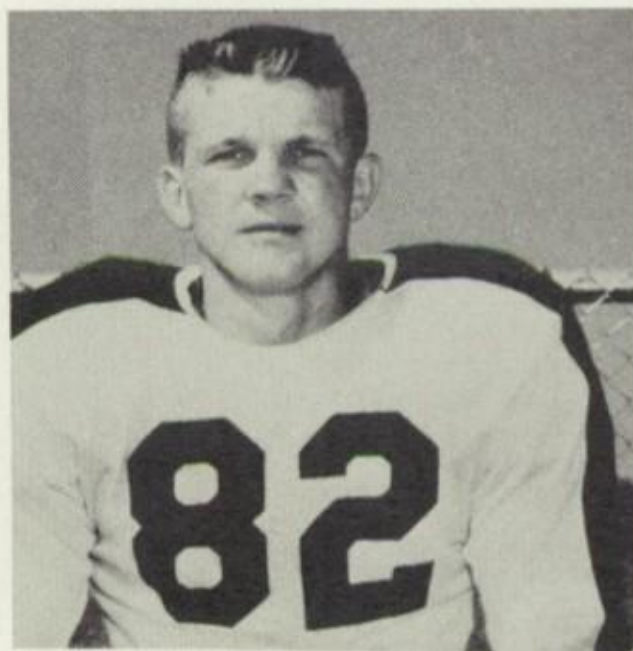

In the third quarter Henry Colwell scored on an 8-yard pass from H. P. Hawkins with Hawkins kicking the extra point. Hal McGlothlin ran the next two touchdowns over on power plays, with Hawkins booting both points. A pass from Hawkins to Frank Etter ended the scoring.

Odessa Noses Out Eagles 19-14

The powerful Odessa Broncos eked out a 19-14 win over the Warbirds as Carl Schlemeyer, rated as the greatest school-boy passer in Texas' history, did a terrific job of passing. Abilene's made the first Abilene touchdown with 2:25 left in the first quarter. Bobby Jack Oliver's kick was good. McDearman scored a few minutes later and again Oliver split the posts to give Abilene a deceiving 14-0 lead at halftime.

The Broncs found themselves in the third quarter, though, as Johnny Crain scored. Schlemeyer's passes set up another tally also, as his pass to Bill Mason was good for six points. The lanky passer also kicked the extra point to put the score 14-13. Schlemeyer scored the next touchdown on a quarterback sneak to end the scoring in the hard-fought tilt.

Harvesters Edge Abilene 7-6

On a muddy, cold field, the Pampa Harvesters slipped by the Eagles by a slight 7-6. The Eagles drew first blood in the second quarter, with Harber taking it over on a beautiful bootleg play, but a wet ball made extra point kicking a little difficult, and the kick was no good.

Pampa's Ed Dudley caught a pass and scored, but the Harvesters had luck on their side, and Bob Wilhelm kicked the deciding point. Neither team could score in the third or fourth quarter and the score stood 7-6.

Halfback Wendell Phillips was the leading ground gainer for the Eagles and defensive standouts were Larry McCraw, John Thomas, Frank Liles, Bill Perry, Bobby Jack Oliver, Henry Colwell, Mac Starnes, and Twyman Ash.

Eagles Blast Sandies 32-7

After two successive losses, Abilene was not to be defeated as they turned their wrath on Amarillo. Wendell Phillips started off the scoring and Oliver's kick was wide. The Sandies then took the lead 7-6 to throw a scare into the Warbird fans. Hal McGlothlin roared over from the one to put the Eagles into the lead. Oliver's kick was good. End Bob Gay caught a pass from H. P. Hawkins to score the third tally. Oliver missed the try for point, and the Eagles led 19-7. Hawkins found Twyman Ash in the end zone for the next score, and the point was good. Jack Self scored the next marker and Frank Liles missed the point to put the score 32-7 as the game ended.

Eagles Defeat Lubbock 28-0

Abilene's initial tally came from the shifty legs of Jim Millerman with Bobby Jack Oliver converting. After a deceptive keeper play by H. P. Hawkins, big Hal McGlothlin took it over from the ten and Oliver's kick put us ahead 14-0, and the half ended in this manner.

Don Rhoden, defensive halfback, did a beautiful job of returning a punt 78 yards for a touchdown, only to have it called back because of clipping. On the next play, McGlothlin powered through the middle and ran the 78 yards for a touchdown. This time it was not called back, and the kick by Oliver was good. Sophomore back Henry Colwell carried the mail from the 16, and Oliver's fourth good kick put the score at 28-0, the first time since 1947 that Lubbock had been held scoreless, and the first time since 1950 that they had been beaten on their home field.

Eagles Skin Bulldogs 39-13

Abilene's Ronny McDearman, the district's number two rusher, carried for the first touchdown two minutes and 45 seconds deep in the first quarter. Bobby Jack Oliver's kick was wide. McDearman carried for the second one also, and Oliver's kick put the score 13-0 at the half.

Jim Millerman ran the next one over from the nine, after Don Harber passed to Bob Gay to set it up. Oliver's kick was no good. Millerman set up the next tally with a 23-yard run, and then scored from one yard out. Oliver's boot was good, and the Eagles were in scoring position. Jack Self scored the next touchdown and H. P. Hawkins kicked the extra point. Henry Colwell ended Abilene's scoring with a smash from one yard out. Lineman Dick Orsini, John Thomas, Frank Liles, and Oliver were outstanding on defense.

Eagles Wind up Season with a 61-0 Romp Over San Angelo

The mighty Warbirds weren't to be denied as they scored almost at will against San Angelo in the season finale. Guard Dick Orsini started the ball rolling with the first touchdown. After he scooped up the punt, he blocked and ran all the way. Hal McGlothlin scored number two and Millerman scored number three. Sophomore Henry Colwell, who played a bang-up ball game, was the next Eagle to score on a 43-yard run.

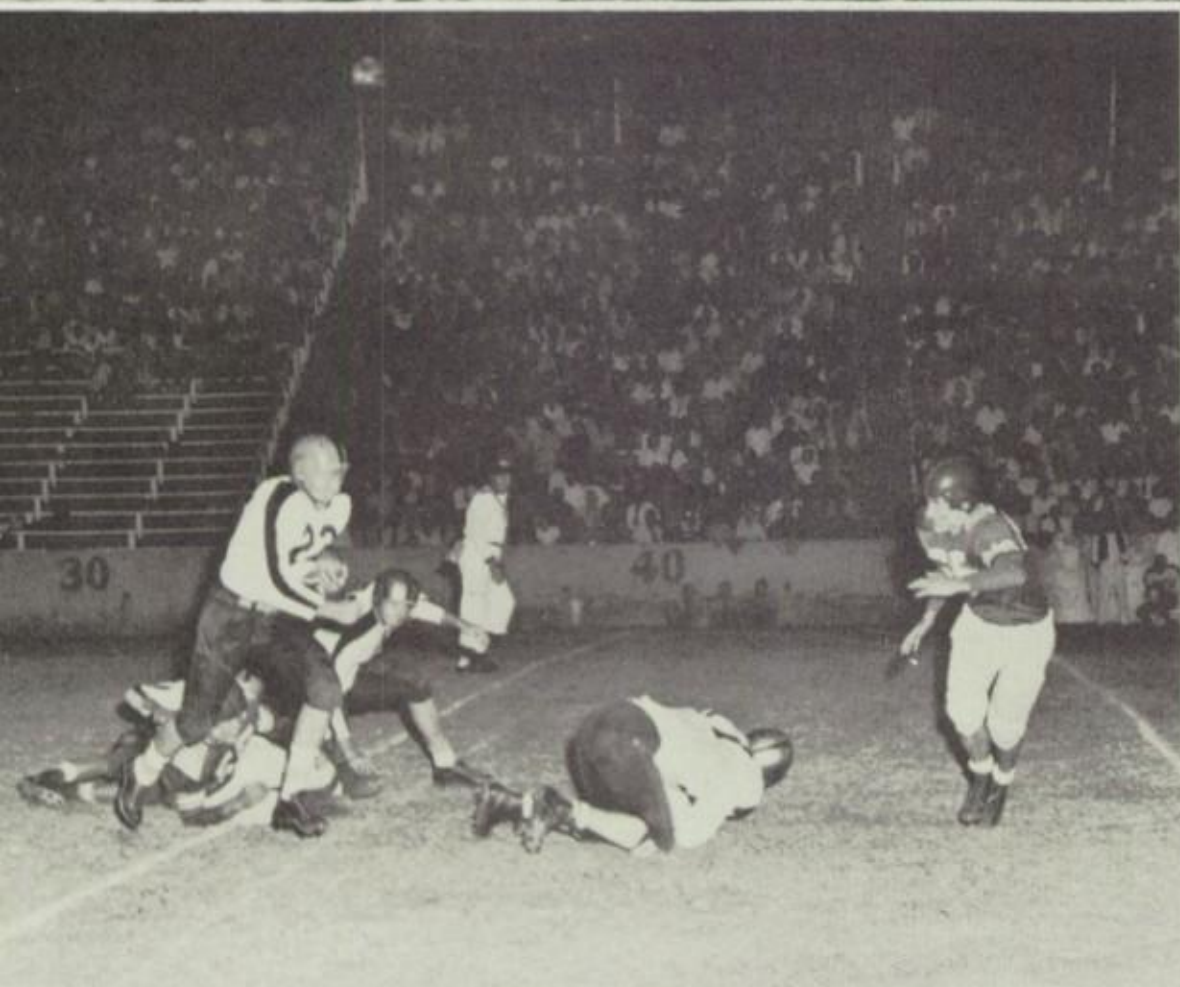

The third quarter found McGlothlin scoring again from the four yard line. Oliver's kick put the score 34-0. Colwell made another tally and Oliver another point. Ronny McDearman accounted for the next touchdown and Hawkins kicked the point. Colwell took a pass from Hawkins and made his third score of the afternoon. Senior Half-back Larry McCraw got into the scoring column on a 33-yard statue of liberty play. The game ended with Abilene on the fat end of the 61-0 count.

Wendell Phillips gets some downfield blocking against Breckenridge.

Eagles Ronny McDearman picks up a substantial gain against Midland, as Smith, Boyd, and Ash offer their blocking services.

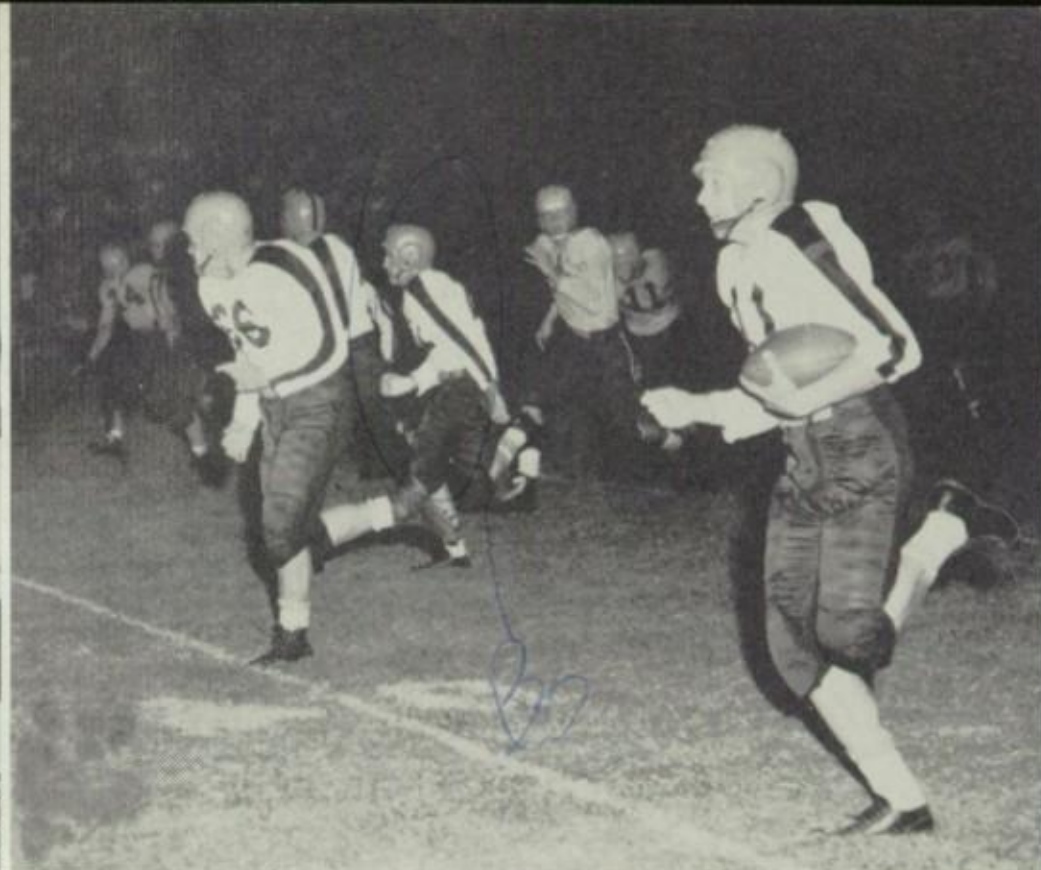

McDearman rips through Sweetwater's secondary for more yardage, but is hauled down short of the goal line.

Phillips and Oliver's blocking paves the way for Don Harber's keeper-play touchdown against Breckenridge on the last play before the half.

Jim Millerman roars across for Abilene touchdown against Odessa.

Millerman returns a punt 59 yards against Highland Park for Abilene High's first touchdown of the year.

Although the Eagles had a new coach, no returning lettermen, and very little experience, they did rather well this year. They won 15 of their 30 games; 11 of 16 non-conference games, and 4 of 14 conference tilts. Seven of the eleven lettermen will be back next year, with Joe Vick, Dan Boyd, Charles Row, and Bill Perry lost by graduation. Next year's prospects are good.

The emphasis on team play is evident in the narrow point spread of the top five scorers. Charles Row got off to a late start because of a broken hand at the beginning of the season. The Eagles outdid their opponents in every way, though only winning 15 of their 30 games. Highest individual total in one game was 26 points by Ronny Mulhern against Lubbock. Next was Dan Boyd with 22 against Plainview.

Dear Linda,
(I would write this in Spanish, but I hate to show how dumb I am) Just want to wish you luck, success, happiness, and everything a terrific girl can have! I've enjoyed being in classes with you all these years.

Spring - picnics, exams, farewells, graduation

Querida Linda,
Puede decir mucho
de Ud., pero no ahora.
Ud. sabe que quiero a
Ud. muchísimo. Esta muy
simpatice, amable, dulce,
"sweet", y también, reter
"wonderful" vando a
las escuelas, orchestra,
national hornery society,
la iglesia, y muchas
otras cosas, y, certamente,
el español (¡ja! ¡ja!) me
 gustan las canciones—
especial "Femmy" "Verdad?"

This español is getting
me down; but, Linda, I think
want you to know I think
the world of you, and I
hope well still be friends
99 years from now (Reckon
we'll still be old maids?)
Love, Nancy (Lucky)

Handwritten in blue ink:
I'm so glad to hear from you
and hope you are happy
and healthy.
Love, Nancy

Lots of make-up goes on the cast of "The Rivals."

This is one of the many exciting scenes from "The Rivals."

"Girl of the Year" Reva Pritchett and FHA Sweetheart Dan Boyd are presented at the banquet by Kay Berry and Gloria Williams.

Many thanks go to Gerald Montgomery, John Waldrop, and Conrad Roberson who were a great help in developing pictures for the Flashlight.

Celia Harris and Neal Hollingshead set the table for the Library open house.

April

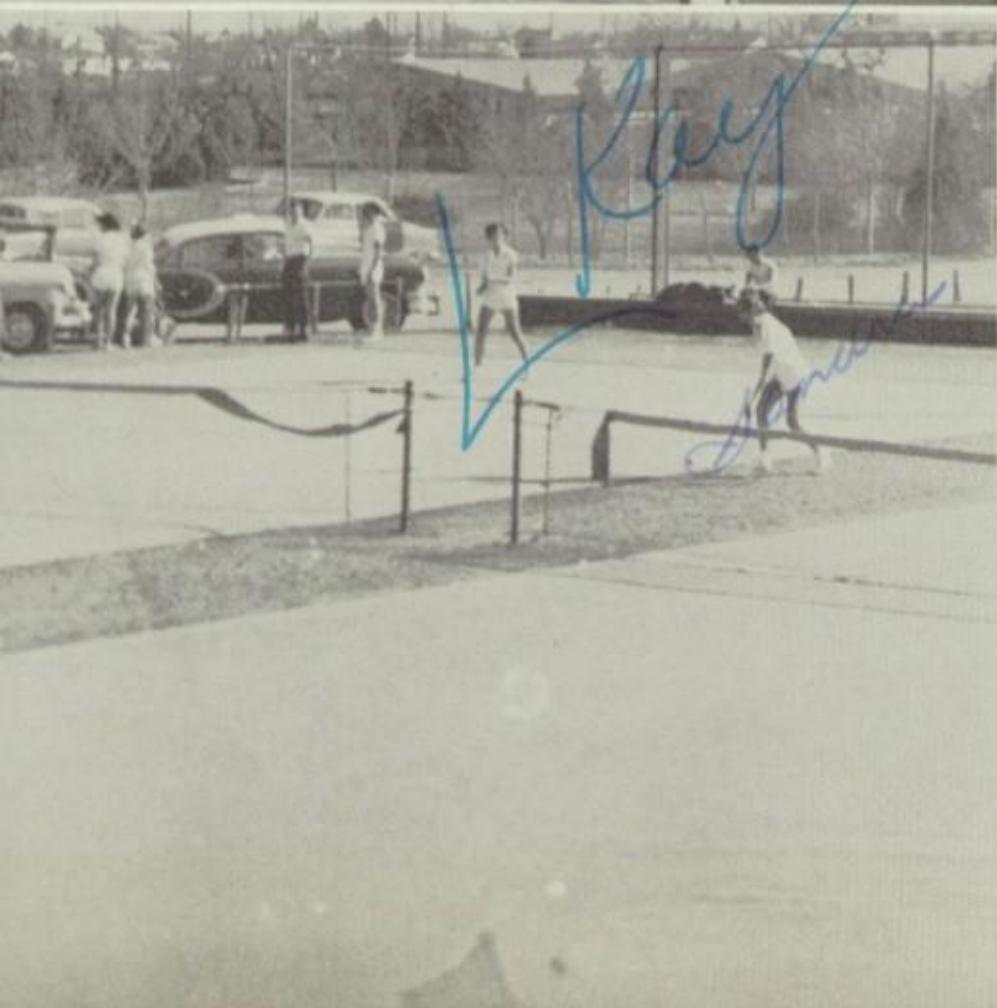

Nan Rich, Joanne Yarbrough, and Sandra Willis prepare for the Latin Banquet.

Ronald Nevins, Mary Kay Kimbley, Jimmy Horn, David Webster, and D. G. McCoury seem happy about leaving on a debate trip.

What's the matter, girls? Don't you like Loretta Shaw's Ballet?

There's nothing like a good hot day and a game of tennis! (Says whom?)

No, there's nothing wrong with the picture. It's just Don Drennan (supposedly a ghost!) talking to Mary Ellen Duke in the contest play "The Wind Is Ninety."

May

Bill Bassetti and Maralyn Martin are checking the last edition of the Spanish paper.

The last meeting of NHS is being held.

Ann Mullins and Patsy Compton are participating in girls' track.

Spring fever seems to have gripped these students.

The fitting of caps and gowns produces an exciting atmosphere.

Dear Linda,
It's really been swell. This year hasn't it! There are so many things we have done together. We had a lot of fun playing bridge with B.S.H., Ope, and David, cheating them all but once. The first time we played you weren't quite dressed and I wasn't ready when Ope and B.S.H. came by! Oh well! Spiritual Life retreat was something that we will always remember. We had a lot of fun playing tackle with a cork didn't we. I guess that just goes to show the P.E. is good for something after all. Remember the night of the Christmas parade - chatter chatter! That was one night somebody should have put us out of our misery! All right was Linda of fun, wasn't it? The seven minute supper, serving Mr. Belden in the hall - delectable Black Cow - walking twelve blocks to find Lubin's only two blocks away! Carolyn getting locked out. It was really fun. The orchestra tour. - J.C.U. and the recruit station, single beds and lots of fun. We've had a lot of fun discussing the moral situation, such as it is! Maybe someday our problems will be solved. I often wonder. I will probably go to Mc Merry next year, rooting for Harkin. Symphonies and dreamings of East Texas State! Towards thrilling lacrosse! I guess we will always remember the Chilean Symphony and "Papa Hayden" alias Julius Kegan. We've had some wonderful times with you and keep you always. May God bless you.

McMurry College

McMurry College has a high regard and warm feeling for Abilene High School. Many of our McMurry students and graduates got their scholastic start in the Abilene schools. We always enjoy your visits, such as the Eagle Band's appearance in McMurry's assembly this spring, as pictured below.

We'd like to have YOU at McMurry

We think you would like McMurry, for lots of reasons. It's as friendly as your own AHS. At McMurry, you'll meet students with Christian backgrounds and ideals, and teachers who will make your interests their interests. You'll find social activities, varsity athletics, intramural sports, a fine band and chorus, and many other student organizations. You'll get a feeling of *belonging* at McMurry, and what's more, you'll get a first-class education.

Best Wishes,
